

Conference proceedings: 15. International Metallography Conference, 19 -21 September 2018, Leoben

Submission deadline is **29 June 2018**, since the proceedings need to be printed before the **conference date**.

If you submit your manuscript after 7 June we cannot **guarantee** its inclusion in the proceedings.

Please note that the maximum manuscript length is 10 pages including all images and graphs.

Longer manuscripts will not be accepted.

Following instructions will help you to prepare your manuscript. For questions please do not hesitate to contact us.

A sample manuscript can be downloaded from <http://metallographie.unileoben.ac.at>

Submission of your manuscript

Please send your manuscript as a **pdf-file** and a **word-file** (compressed) per email to: reinilde.stopar@unileoben.ac.at.

Fonts and images (**please use minimum 300dpi for images**) should be embedded in the document (color images are possible, please ask for the price).

Please make sure that your graphs and images are not too small, since each manuscript will be decreased to 75 % of its former size for printing.

Please note that your submitted manuscript (pdf-file) will be used for printing without any change from us!

Attention:

1. If you use other computer programs **please let us know**.
2. If you have images which are not embedded, please send them in **TIFF- or EPS-format**, so that a good quality reproduction is possible.

If you have any questions please let us know.

Please send your script to:
